INDIGRAM LABS FOUNDATION (ILF)

Founded in 2015 as a Technology Business Incubator under Section 8 (Not for Profit Company) of the Companies Act 2013, Indigram Labs Foundation (ILF) is supported by the National Science and Technology Entrepreneurship Development Board (NSTEDB), Department of Science & Technology, Government of India. We aim to incubate 100 startups in the next 5 years through the process of consulting, mentoring, prototype creation, leveraging technology tie-ups and access to a platform that yield the stated results, along with other business management (legal & secretarial, office space) services and also funding for them. These enterprises will be selected on the basis of the power of the ideas, its business model, potential to scale up and social impact apart from the motivation that drives the entrepreneurs.

“ Mission of ILF ”

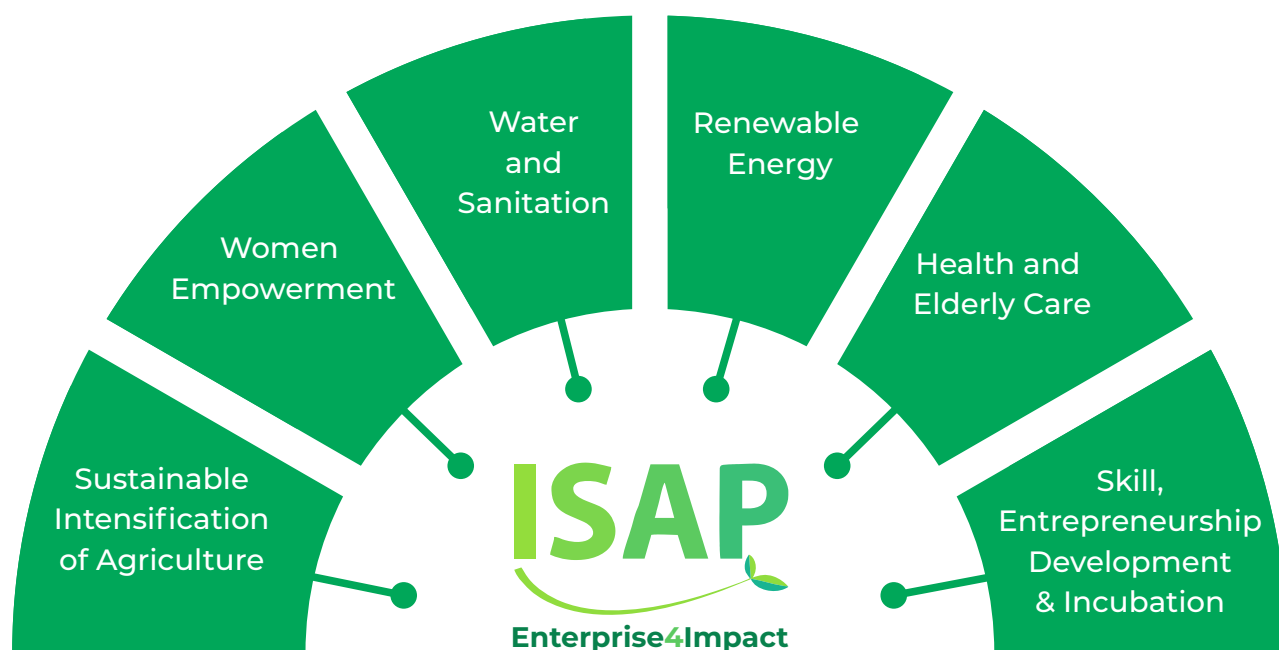

To encourage young talent and ideas by nurturing them through proper guidance.

“ Vision of ILF ”

To promote creativity and Innovation in the field of agriculture & healthcare, enabling us to lead a better life.

Indian Society of Agribusiness Professionals (ISAP) is a not-for-profit organization involved in agriculture extension and livelihood support programs, Incorporated in 2001 under Section 25/8 of the Companies Act.

ISAP is one of the largest networks of agriculture and allied sector professionals in India and acts as a bridge between a network of Indian rural communities and other stakeholders, including government, development organizations and corporate entities. ISAP does this through large-scale field implementation projects with integrated deployment of technological innovation forefficiency and scale. ISAP has more than 1400 team members including 500 full time resources and contract staff and experts across 56 field offices in 21 states. ISAP's interventions have contributed to enhancing livelihood opportunities for more than one million farmer households, more than 20,000 youth and 20,000 in 8000 villages in 250 blocks across 100 districts in India. ISAP has physical establishments at 100 locations, which include 12 Agribusiness Village Resource Centers (AVRCs), 20 Single Window Centers (SWCs), 20 Skill Development Centers (SDCs), 46 Custom Hiring Service Centers (CHSCs) and a 100-bed hospital.
